12. Where services are ordered by any intermediary, such as but not limited to a ship agent, freight forwarder or broker, the intermediary acknowledges that the vessel's owners, operators, masters, and agents have been informed of and have accepted the Terms and Conditions outlined in this tariff.

13. The intermediary shall provide Svitzer with the following: vessel name, IMO number, and the names of all parties directly associated with the vessel such as the vessel's owner(s), masters, operators, charterer, trader or other party involved, to establish customer identity in compliance with sanctions requirements.

who requests a service from the Tugowner under this agreement.

(vi) The word "Tugowner" shall include any person or body (other than the Hirer or the owner of the Vessel on whose behalf the Hirer contracts as provided in Clause 2 hereof) who is a party to this agreement whether or not they in fact own any tug or Tender, and the expression "other Tugowner" contained in Clause 5 hereof shall be construed likewise.

(vii) The expression "whilst Towing" shall cover the period commencing when the tug or Tender is in a position to commence Towing, and ending when the tug or Tender has ceased Towing and is safely clear.

(viii) Any service of whatsoever nature to be performed by the Tugowner other than Towing shall be deemed to cover the period commencing when the tug or Tender is in a position to commence the service and ending at the time when the tug or Tender has ceased performing the service and is safely clear. However, if at that time there remain on board the tug or Tender anything of whatsoever description, or any persons, that were taken on board for the performance of the service (other than equipment or other items belonging to or hired by the Tugowner and the Tugowner's own employees or agents or the personnel of independent contractors engaged by the Tugowner) then the period shall not end until all such things and persons have been discharged or disembarked from the tug or Tender and the tug or Tender is safely clear of the place where

they were discharged or disembarked.

(ix) For the avoidance of doubt, the word "negligence" includes gross negligence.

(x) The expression "howsoever caused" means arising from any cause whatsoever, including (without prejudice to the generality of the foregoing) negligence at any time of the Tugowner their servants or agents, and the unseaworthiness, unfitness or breakdown of the tug or Tender, its crew, its machinery, equipment, computer or other systems, towing gear, lines, ropes or wires, including unseaworthiness, unfitness or breakdown by reason of lack of fuel, stores, speed, bollard pull or otherwise, whether arising before or during the Towage or other service or whenever such unseaworthiness, unfitness or breakdown arises.

2.

If at the time of making this agreement or of performing the Towage or of rendering any service other than Towing at the request, express or implied, of the Hirer, the Hirer is not the owner of the Vessel, the Hirer expressly represents that it is authorised to make and does make this agreement for and on behalf of the owner of the Vessel subject to each and all of these conditions and agrees that both the Hirer and the owner of the Vessel are bound jointly and severally by these conditions. Further, in any case where the Hirer is bound by these conditions, if the Vessel requests or accepts any service from the Tugowner, the owner of the Vessel shall hereby become jointly and severally bound by these conditions in the same way as if they were the Hirer.

3.

Whilst Towing or whilst at the request, express or implied, of the Hirer, rendering any service other than Towing, the master and crew of the tug or Tender shall be deemed to be the servants of the Hirer and under the control of the Hirer and/or their servants and/or their agents, and anyone on board the Vessel who may be employed and/or paid by the Tugowner shall likewise be deemed to be the servant of the Hirer and accordingly, the Hirer shall be vicariously liable for any act or omission by any person so deemed to be the servant of the Hirer, except that the Hirer shall not be vicariously liable for any harm or loss caused by an act or omission of any such person if it is proved that the person committed the act or omission with the intent to cause such harm or loss or recklessly and with knowledge that such harm or loss would probably result.

4.

Whilst Towing, or whilst at the request, either expressed or implied, of the Hirer rendering any service of whatsoever nature other than Towing

(a) The Tugowner shall not (except as provided in Clause 4 (c)(i)) be responsible for or liable for:

A fuel surcharge is applicable to all services. The surcharge is based on the monthly average metric tonne price of Marine Gas Oil (MGO) in North West Europe and the monthly average rate of exchange between USD and GBP, both as provided by an independent third party, Fuel Prices Online (www.fuelpricesonline.com). The average price for MGO and the average rate of exchange for month 1 will yield the surcharge level which will apply from the fifth day of month 2 until the fourth day of month 3. For example, the average MGO price for January and average rate of exchange for January will be used on each Port’s matrix to generate the applicable Fuel Surcharge from 5th February until 4th March. This Fuel Surcharge matrix is valid until further notice. Any additional increases are subject the same formula.
