3. All rates are in Australian dollars (AUD) excluding GST.

10. For any other special services rates and terms are available on request.

7. Booking – A minimum of twenty-four (24) hours prior notice is required.

8. All towage and lines orders received will be carried out to the best of Svitzer's ability. Svitzer does not accept any responsibility for any delay to a ship caused by the detention of a tug or tugs by another ship or from any other cause.

9. The towage rates outlined apply for the first 2 tugs (Standard Towage) up to the maximum time duration. Separate charges for additional tugs (Additional Towage) will apply.

10. Dead ship is applicable when services (whether secured with towline or not) are provided to vessels, not in distress, without normal main engine power and/or without steering within port limits.

11. For any other special services rates and terms are available on request.

12. A reference to a booking includes a booking by the vessel owner, or agent. Services provided by Svitzer will be deemed to be authorised by the vessel owner, agent, or customer, with charges payable in full for those services. Tug tariffs charged by Svitzer as a result of a direction from the Harbour Master, given to the agent, owner or directly to Svitzer, will be deemed to be authorised by the vessel owner or agent.

13. Tug requirement for each vessel movement is at the discretion of the local regulatory authority and/or customer and not determined by Svitzer Australia.

The Agent shall be liable for and shall indemnify Svitzer against all loss, damage, delay, fines, attorney fees and/or expenses arising from any breach of the warranty in this clause 16 and from any other cause whatsoever in connection with the vessel for which Svitzer is not responsible.

17. Payment terms are specified on the invoice issued at the time of service. Invoices outstanding after 14 days may be subject to a late payment charge of 1.5% per month. Ongoing non-compliance of payment terms may result in the 14 day extended payment facility being withdrawn and requirement of payment in part or in full at the time of service.

18. The U.K. Standard Conditions for Towage and Other Services (Revised 2024) (**UKSTC**) shall form part of the agreement for the provision of services by Svitzer. The UKSTC are available at:

3. All rates are in Australian dollars (AUD) excluding GST.

4. The towage rates are for berthing/shifting/sailing. All jobs commence at the booked job time or when engaged by the pilot, whichever is the earliest, and concludes when released by the pilot.

5. All rates in the schedule apply at any time on any day.

6. Additional Time is charged if the service takes longer than the maximum time duration.

7. Booking – A minimum of twenty-four (24) hours prior Notice is required.

8. All towage and lines orders received will be carried out to the best of Svitzer's ability. Svitzer does not accept any responsibility for any delay to a ship caused by the detention of a tug or tugs by another ship or from any other cause.

9. Dead ship is applicable when services (whether secured with towline or not) are provided to vessels, not in distress, without normal main engine power and/or without steering within port limits.

10. For any other special services rates and terms are available on request.

11. A reference to a booking includes a booking by the vessel owner, or agent. Services provided by Svitzer will be deemed to be authorised by the vessel owner, agent, or customer, with charges payable in full for those services. Tug tariffs charged by Svitzer as a result of a direction from the Harbour Master, given to the agent, owner or directly to Svitzer, will be deemed to be authorised by the vessel owner or agent.

12. Tug requirement for each vessel movement is at the discretion of the local regulatory authority and/or customer and not determined by Svitzer Australia.

16. Payment terms are specified on the invoice issued at the time of service. Invoices outstanding after 14 days may be subject to a late payment charge of 1.5% per month. Ongoing non-compliance of payment terms may result in the 14 day extended payment facility being withdrawn and requirement of payment in part or in full at the time of service.

6. Booking – A minimum of twenty-four (24) hours prior Notice is required.

9. Dead ship is applicable when services (whether secured with towline or not) are provided to vessels, not in distress, without normal main engine power and/or without steering within port limits.

10. For any other special services rates and terms are available on request.

11. A reference to a booking includes a booking by the vessel owner, or agent. Services provided by Svitzer will be deemed to be authorised by the vessel owner, agent, or customer, with charges payable in full for those services. Tug tariffs charged by Svitzer as a result of a direction from the Harbour Master, given to the agent, owner or directly to Svitzer, will be deemed to be authorised by the vessel owner or agent.

16. Payment terms are specified on the invoice issued at the time of service. Invoices outstanding after 14 days may be subject to a late payment charge of 1.5% per month. Ongoing non-compliance of payment terms may result in the 14 day extended payment facility being withdrawn and requirement of payment in part or in full at the time of service.

17. The U.K. Standard Conditions for Towage and Other Services (Revised 2024) (**UKSTC**) shall form part of the agreement for the provision of services by Svitzer. The UKSTC are available at:

18. Assistance will be rendered promptly if at any time an incident occurs or situation develops (outside the scope of normal harbour towage operations) that threatens the safety of a ship or its crew, port infrastructure, the environment and/or the community. Svitzer reserves the right to negotiate the terms under which such assistance is rendered.

19. A minimum of 30 days' notice will be given for any amendments to this schedule, which may be effected by Svitzer from time to time. Other surcharges may be imposed by Svitzer with 30 days' notice.

BUNKER ADJUSTMENT FACTOR¹

¹Bunker Adjustment Factor replaces the Fuel Surcharge

ALL PORTS IN AUD excl GST

AVERAGE BUNKER PRICE SINGAPORE IN AUD	AUD 100	AUD 110	AUD 120	AUD 130	AUD 140	AUD 150	AUD 160	AUD 170	AUD 180	AUD 190	AUD 200	AUD 210	AUD 220	AUD 230	AUD 240	AUD 250

A Bunker Adjustment Factor (BAF) applies to all towage services. With the current volatility in global fuel markets, which is impacting fuel prices more rapidly than in normal market conditions, Svitzer is moving to a fortnightly review. This allows BAF adjustments to more accurately reflect changes in fuel costs over time.

The BAF is based on the two-week average per barrel price of Gas oil in Singapore (Gasoil 10 ppm Singapore FOB Cargoes) published by Bloomberg and the two-week average rate of exchange between USD and AUD as published by the Reserve Bank of Australia. The applicable BAF for each period will be based on the relevant two-week average from the month prior to implementation.

Notwithstanding this, the BAF may be additionally adjusted for, with or without notice, in response to changes to the Australian fuel tax credit scheme, extraordinary fluctuations in the oil prices and/or rates of exchange. Further information available on request.

(iii) The word "Tender" shall include any vessel, craft or object of whatsoever nature which is not a tug but which is provided by the Tugowner for the performance of any Towage or other service.

(iv) The word "tug" shall include "tugs", the word "Tender" shall include "Tenders", the word "Vessel" shall include "Vessels", the word "Tugowner" shall include "Tugowners", and the word "Hirer" shall include "Hirers".

Further, in any case where the Hirer is bound by these conditions, if the Vessel requests or accepts any service from the Tugowner, the owner of the Vessel shall hereby become jointly and severally bound by these conditions in the same way as if they were the Hirer.

3.
